LU's Moving Checklist

Congratulations!! Time to book the movers & start packing!

At your PRESENT Home:

- Arrange to have your utilities read on your last day & bills forwarded to new address
- Schedule disconnect all your services (ie: phone, cable, utilities, etc)

At your NEW Home:

- Make arrangements for the utilities to all be connected on your possession date

General:

- Get change of address cards from post office & send out OR pay for service to automatically forward mail to new address, during transition. (#1 your bank!)
- Cancel any contracted services on your current home (ie: landscaping)
- Arrange to transfer all social & medical records (ie: church, memberships, doctor, dentist, optical)
- Transfer Driver's License & Health Card
- Collect/schedule all items for cleaning, repair & storage
- Make special arrangements for moving your pets
- Safely dispose of all flammable liquids & chemicals

LU's Extra Tips:

- * Arrange for meals to be all taken care of, for you on moving day!
- * Spend the extra money for cleaners on moving day, treat yourself!
- * Your insurance company will ask you questions re: sqft of home, updates, etc—be very careful on how you answer the questions, only share things you know for sure!
- * Think about updating your Wills & Power of Attorneys; consult your lawyer.
- * Consider different packages between Mortgage Insurance & Life Insurance, you want to do what suits your lifestyle best! **I am always happy to guide you further, with anything...**
- * If you know of anyone else planning on moving, please pass on my name & number:
